NEWSLETTER

September 2020

As principal of Darshan Academy, Hisar, I feel privileged to be part of an educational system where every day is an opportunity to learn and discover. The school offers a broad curriculum and range of opportunities for students to achieve excellence not only academically, but also as contributors to the society in which they live.

Jessica R. Kamble
(Principal - DA HISAR)

The school provides a holistic learning environment which offers a joyful experience gained through advanced teaching methodologies and an excellent curriculum. The talents and abilities of each student are identified and nurtured so that he or she is able to reach to maximum potential.

Susheel Kumar
(Principal - DA KAITHAL)

I would like to take this opportunity to thank all the parents who have put their faith in Darshan Academy. Our promise is to do our very best so that their children may have the highest quality education possible.

Bella Rani Hood
(Principal - DA KALKA)

The students of Darshan Academy are creating a Generation of Peacemakers. Darshan Academy ensures that the students meet the challenges of life equipping them with a strong academic foundation and emotional and social skills.

COLOURING AND ART & CRAFT VIRTUAL ACTIVITIES

Darshan Academy is committed to engage its students in truly dynamic and influential activities where in the highly energetic tiny tots participated with their earnest devotion showing their feelings in the form of sketches and posters.

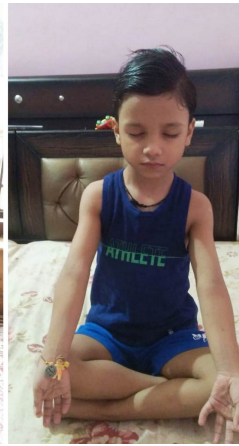

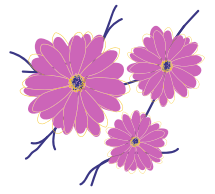

They were keenly involved in the virtual Art & Craft entertaining activities and demonstrated deeper understanding of basic principles of designs, colors and concepts.

The amusing sessions provided children with critical sensory input expressing their feelings in a multidimensional way.

As the Coronavirus pandemic and ensuring lockdown has forced all the educational institutes across India to temporarily shut, Darshan Academy Hisar has shifted its base to virtual platform to conduct classes online to help students continue their education from the comfort of their homes. This online education has emerged as an alternative to ordinary face to face classes.

Moreover, efforts are being made by the school to make a smooth transition to the virtual world making continuous efforts to provide customized teaching-learning material suitable for online classes. Like a normal day, the hours are filled with activities and homework. The teachers are trained in the use audio video control, whiteboard facility and Q & A chat board enabling them to deliver these virtual classes.

Due to Pandemic Covid19, country-wide lockdown was imposed.

During this phase our Teachers initiated Successful Online Classes and kept the students engaged in various fun-filled creative activities such as:

Janamashtmi celebration, Independence day, Art & Craft Creative activities, Rakshabandhan, Rajinder's Week, International Yoga Day, Teacher's day many more activities at home.

Hi, I would like to say a big thank you to each and every teacher at Darshan Academy Hisar for ensuring that our children's studies have not been impacted because of the lockdown.

It was overwhelming to see how quickly and efficiently the new way of learning was adopted by the school and not only this, the entire parent community was also made comfortable.

During the online sessions each and every student was given a chance to speak and express themselves, and more importantly the all feedback was handled positively.

My twin daughters are in Nursery class in Darshan Academy, Kaithal. Even though they have never attended school, but as we are getting proper homework on daily basis for all subjects, they are learning very well. Online Zoom classes are very helpful. Sometimes there was a little network problem, but teachers are sending their own recorded videos to compensate that and help all types of learners. I am very happy and satisfied with their teaching method.

I am totally satisfied with the education; my child is getting through online teaching. Positive encouraging language, Presentation of topics through videos and delivery of lessons is satisfactory. No doubt we face the problem of net coverage and one mobile at home, but still efforts put by school are appreciable.
