STUDENT'S CREATIVE CORNER

Darshan Academy is committed to engage its students in truly dynamic and influential activities where in the highly energetic tiny tots participated with their earnest devotion showing their feelings in the form of sketches and posters.

They were keenly involved in the virtual Art & Craft entertaining activities and demonstrated deeper understanding of basic principles of designs, colors and concepts.

The amusing sessions provided children with critical sensory input expressing their feelings in a multidimensional way.

RANGOLI SAXENA
Principal
Darshan Academy - Pune

In Darshan Academy, Pune we train our students to think in a positive manner as our thoughts lead to our actions and our actions lead to our destiny. Students are encouraged to do good, be good, and be one.

Ten minutes of meditation in the morning helps them to concentrate better on their studies and makes them calm, cool, and balanced.

In this high tech world we aim to create versatile personalities who can stand upright amidst anyone in the world and bring peace and solace to humanity. Teachers and parents have a great responsibility to ingrain in children human qualities and moral values to equip them to be effective leaders of tomorrow.

Darshan Academy Devlali offers an excellent curriculum to help students flourish and develop their talents. Each day at Darshan Academy Devlali blooms into a scintillating trail to be treaded upon both by the educators and the students.

They tap into the peace within during the daily meditation time and attend specially designed spiritual curriculum classes.

At Darshan Academy Devlali we help students gain knowledge, wisdom, and intellectual, physical and spiritual growth. We encourage students to be creative problem solvers.

FEEDBACK OF OUR STUDENTS & PARENTS...

Lot of efforts are being taken by teachers & school for online classes so that students do not miss learning. I feel so happy to see my child attending online classes. None other schools are conducting online sessions like Darshan Academy. I am so thankful.

Sahskrit
Class IV
DA Pune

I am happy to share that my ward has improved in all subjects. the online classes are very good for students as they are able to concentrate well. I congratulate the school for taking this initiative.

VIKAS KUMAR

DA DEVLALI

I must say that in this critical situation, you have decided to continue the learning process of our children, which is very appreciative. Because I know that you all are also going through an economical crisis. There are many parents who are not in the situation to pay the fees. There are Parents who doesn't want to continue with academy. But besides all, you are offering online study facilities to all of us. We can see or notice the hard work of teachers during online classes. As a parent, I am very happy & satisfied with what you & your team are doing for our wards.

Kiran bhai Sadhu
(Azad's Father)
DA Devlali

The online classes that the school has started have a lot of plus points like students can study & not miss learning during this pandemic. We totally appreciate this initiative by the school.

AKSHITA PATRA
Class IX - DA Pune

All the topics are explained well with the help of ppts and other online facilities. Use of examples help *students get a better factual knowledge of all topics. For the lessons related to Chemistry, use of demonstrations of experiments available on YouTube platform is highly appreciated. For understanding life processes, visual animations of various organ systems and related material can be used.

DA DEVLALI

All the topics are explained well with the help of ppts and other online facilities. Use of examples help *students get a better factual knowledge of all topics.

Soham Dhake
Class VII
DA Devlali

Online Classes of Darshan Academy are superb. I didn't expect that without going to school ,we can do study in this way also. And this haven't been any obstacle. This is all because of Darshan Academy teachers and their efforts. This shows that Darshanites can never give up even in worst situations. Online study is going excellent with our teachers efforts and support.
